School Vision Statement

At The Meadows Primary School, children are at the heart of all we do.

We welcome all children and their families to join our nurturing and inclusive school community. The Meadows offers fun and positive experiences that create lasting memories. Children experience a rich, creative and challenging curriculum that leads to lifelong curiosity and big dreams!

We provide a safe environment that develops resilience and encourages children to take risks, whilst learning from their mistakes. We see every child as an individual and support them on their journey to achieve success.

At The Meadows children will spread their wings and fly, with the belief that anything is possible.
