Many of our clubs are run by teachers and volunteers and are free of charge. The highlighted clubs are run by external companies. Please contact them directly for more information. Letters will be sent out about clubs, and can also be requested from the office. A register is taken for each club at each session. If your child has attended school and then does not attend a club for which they are registered we have a statutory responsibility to ensure that they are safe. We would therefore be most grateful if you could advise the office if your child will not be attending a club on a particular day. Many thanks for your assistance.
